Where Science
Meets Possibility

22-23 Sep 2026
Virtual Summit

24 Sep 2026
Live Summit | Hyderabad

A **HEALTHARK** Signature Event

IN 2026, WE **RISE.**

2026 Edition 3

2025 Edition 2

2024 Edition 1

RISE exists because health science doesn't operate in silos – and neither should its biggest conversations. Bigger community. Same commitment. Seven disciplines. One new name. What hasn't changed – the Healthark promise of world-class dialogue, learning, and action at the intersection of health science and innovation.

Where Science
Meets Possibility

WHY PARTNER WITH US?

01

Unmatched Network:

Access to **2,800+** global participants from **13+ countries**, including CXOs from Novo Nordisk, Bayer, & AstraZeneca.

02

Strategic Authority:

Unlike pure event agencies, we are a management consulting firm. Our content is curated by experts, not event planners.

03

Policy & Growth Platform:

Hosted in collaboration with government leaders (e.g., Hon'ble Minister of IT, Telangana) and global diplomats.

04

Focused Niche:

Deep dive into RWE, AI, Cell & Gene Therapy, Clinical Research, Regulatory Science, and the booming Indian GCC landscape
